Road to Hope: The Spiritual Journey of Cardinal Nguyen Van Thuan

An original Salt + Light documentary exploring the life of this political prisoner and prophet of hope. Written and produced by David Naglieri this powerful film traces the history of Thuan from his privileged upbringing in a powerful political family to decades of war, betrayal and imprisonment— when he would celebrate mass in secret with three drops of wine in the palm of his hand and the host smuggled inside a flashlight by his faithful. Featuring interviews with those who knew him best, never before seen family videos, and rare archival footage, *Road of Hope* offers an unprecedented glimpse into the life of a modern day martyr and saint. *Call Salt + Light to pre-order your copy today!*
